

1. Policy and procedure implementation and review policy

Aim

We have one set of policies and procedures which are consistent across our pre-school provision and in line with the current EYFS requirements.

Objectives

We adhere to and implement operational policies and procedures by:

- ensuring that all members of staff, assistants, and students (hereon referred to collectively as staff) are aware of their role and responsibility in policy and procedure implementation.
- ensuring that members of staff are aware of the content of policies and procedures through:
 - induction.
 - line management, staff meetings and training.
 - use of relevant publications.
- Staff are aware of their duty to adhere to the operational policies and procedures and how they contribute to a consistent approach throughout the pre-school.
- All policies and procedures are reviewed annually as a minimum and when there are any changes to the pre-school practice or legislation

1.a. Implementation and review procedure

We have one set of policies and procedures which are consistent across our pre-school and in line with the current EYFS requirements.

- Policies and procedures are written and reviewed annually as a minimum or when there is a change in practice or legislation.
- Changes are only made to the policies and procedures by the supervisor of Ducklings pre-school in liaison with the chairperson where risk assessment or other reasons indicate that this is required.
- Policies and procedures are risk assessed and reviewed following any incident that is reportable under RIDDOR.
- Disciplinary action may be taken where individuals have disregarded policies and procedures.

Familiarisation and implementation

- It is the responsibility of every member of staff, assistants, volunteers and students (hereon referred to as staff for clarity), within the pre-school to adhere to and always implement the policies and procedures.
- The supervisor offers advice and support to staff regarding procedure implementation.
- An overview of policies and procedures is included in induction for individual members of staff, with specific emphasis given to safeguarding procedures.
- Members of staff must sign to say that they are aware of and will adhere to the current policies and procedures.
- Members of staff understand that they must refer to the procedures as they support all aspects of their work within the pre-school.
- Staff meetings and in-house training events are used as opportunities to focus on procedures as required, and to discuss their implementation.
- Where there is an outbreak of a communicable disease or infection, the relevant procedure is photocopied and displayed for parents' reference during the outbreak.
- Other procedures may be displayed where a situation arises, for example to highlight health and safety concerns such as closing the gate.
- Following implementation of a procedure, such as emergency evacuation or other health and safety procedures, the supervisor will conduct a review as follows:
 - did all members of staff follow the procedure?
 - is further training required on any aspect of implementation?

- did the procedure fit the circumstance; does it need adapting or changing?

Parents

- Parents/carers know how to access a full set of policies and procedures.
- Parent/carers management committee meetings are used as opportunities to explain and discuss the implementation of the policies and procedures.
